Medical Forms and Prescription Medicines

BSA Standards require that all prescription medications be kept in a locked container. To ensure that medications are being administered, it is recommended that all medications be left with the Health Officer. Inhalers and Epi-pens may be kept with the individuals. **ALL adults and youth attending camp must have the Annual Health and Medical Record form (Part A, B, and C) properly filled out.** This is necessary to document the current health status and what, if any, medications the Scout or adult is taking. All medical forms will be retained by the Camp Health Officer for the duration of camp. Therefore, it is highly recommended that participants bring a copy of their BSA health form. The originals should remain with the Pack records. BSA Annual Medical Forms are available at the Scout Office and on the Council's Website – www.iac-bsa.org.
