

CPR/FIRST AID

IS YOUR CPR AND 1ST AID CARDS CURRENT FOR 2008?

If you are a staff member for Day Camps, Cuborees, Camporees, Summer Camp, Winter Camp, or a unit leader for Pack, Troop or Crew Campouts, you need CPR and First Aid Training.

CPR and First Aid Training is offered to adults and youth registered in the Istroma Area Council. This training will be offered monthly on Saturdays at the Scout Office.

The dates are: Feb 23rd, Mar 15th, Apr 12 and May 17th.

Registration begins at 7:30 am and the CPR portion will begin at 8:00 am.

The First Aid portion will begin immediately following the CPR class and end prior to 4:00 pm. The class is limited to 30 students due to classroom size and equipment availability. First come- first served.

Joe Farlow offers the classes for \$10.00. This covers the AHA card, instruction materials and light refreshments.

Joe offers the American Heart Association TWO-YEAR card.

To secure a reservation, please email Joe Farlow at joefarlow3@cox.net. He will take reservations based on the date and time of the email. Joe can be reached by cell phone at (225) 907-4143.

Be responsible to the youth and families in your care and have the skills to save their lives if necessary.
